

1 October 2013

Dear Valued Customer,

Change of FUEL CHARGE Policy(Calculation) on ALL NIPPON AIRWAYS (NH/205)

We wish to inform you that with effect from **1 November 2013**, the Fuel Charge and other surcharges calculation will be on **Chargeable Weight** in stead of Gross Weight for all shipments originated from Europe. This changes will be applied from the AWB issued the above date and after.

As stated in previous correspondence, the surcharge will be reviewed if the index level increases or falls significantly.

The following regulations shall still apply as at present:

1. Fuel charge must be calculated on the **Chargeable Weight**.
2. Fuel charge to be shown on the master waybill in the 'Other Charges' column, preceded by the code **MYC**.
3. War risk charge to be shown on the master waybill in the 'Other Charges' column, preceded by the code **XDC**.

This charge will remain in effect until further notice.

We appreciate your cooperation and understanding regarding this matter.

Yours faithfully,

Michiru Harada
