SERVIÇO ÁSIA-EUROPA C/
ESTIMATED TRANSIT TIMES

A **Ocean Alliance**, de que a **EVERGREEN LINE** faz parte, conheceu alterações no início do passado mês de abril.

Com vista em otimizar o serviço, e de o direccionar às necessidades dos clientes da **EVERGREEN LINE**, nasceu o "**Day 3 Product**". Este novo produto abarca 330 Porta-Contentores, com uma capacidade global de cerca de 3,8 Milhões de TEU, distribuídos por 38 serviços.

Neste documento pode encontrar a informação operacional referente ao serviço **EVERGREEN LINE** desde/para portos base do Extremo Oriente, os mais relevantes e competitivos para o mercado português.

Essa informação contempla:

- Portos base na origem;
- Serviços semanais por porto base;
- *Schedule* de Importação/Exportação por porto base/serviço;
- Tempos de trânsito estimados até porto de transbordo, bem como, Lisboa e Leixões.
- Coordenadas de contacto dos agentes EGL nas origens/destinos
- Terminais por porto base/serviço.
- *Links* de acesso ao *interactive schedule* e ao *long term schedule* do portal ShipmentLink.

A informação dos tempos de trânsito estimados constante no anexo toma como referência a combinação da janela original de operações do navio oceânico e do feeder de/para Lisboa e Leixões no porto de Roterdão, pelo que não dispensa a consulta do *schedule* atualizado ou do nosso departamento de Serviço ao Cliente.
